GENERAL INFORMATION

Classes

This year PPO School’s “Landscape Workshop” will be held on May 23 through May 27, 2010, and we will depart on Friday May 28. We will stay in Moab, UT, and photograph in that area. See the web site for more information.

- √ We will start Sunday afternoon/evening, May 23 at dinner. We will have an orientation meeting. Those arriving early may want to get together earlier in the afternoon for some exploring. The Workshop will end on the evening of May 27. Most will plan to leave on Friday, May 28 or choose to stay another day or two for individual work.
- √ We will have a set time and meeting place each morning to begin. Those wishing to eat breakfast together may do so on an individual basis.
- √ Group sessions will be limited, so that individual photographers may get to work! The instructors will work with students on an individual basis during the workshop.

Evening Functions

The “Landscape Workshop” will have different opportunities in the evenings. We will eat out for the evening meal on a “Dutch Treat” basis. We will have a couple evenings for “sunset” opportunities and mornings for early sunrise images. We will also have a couple evening sessions for image review and discussions.

Housing Options

- √ You may stay at the official motel. See information on web site.
- √ You may elect to stay in another hotel or campground. A listing may be found on the web.
